

Carehands

Universal barrier and moisturising cream

Multi purpose, non greasy barrier and moisturising hand cream. For use in a variety of situations and working conditions.

Provides skin protection in both wet and dry working conditions.

Added glycerine enables it to be used as an excellent after work skin moisturiser.

- For use in garages, engineering workshops, printers, warehouses, transport companies, farms and all types of general industry.
- Unperfumed; suitable in kitchens and food preparation areas.
- Ideal for use under rubber gloves as a secondary line of protection.
- The 500 ml bottle is free standing and comes complete with a pump dispenser.
- A wall bracket is available for the 500 ml bottle.

GENERAL USE:

Before and after work apply a small amount to hands and forearms and work into the skin, paying special attention to the nails and cuticles.

RELATED ITEMS:

- Trigon® - Unperfumed hand soap
- Evolve soap dispenser - Bulk fill or cartridge.
- Wall Bracket - Coated wire wall bracket for 500ml
