

Citrand™

Heavy-duty hand gel with olive seed

Perfumed hand cleaning gel with a natural, mild, exfoliant. Quickly and easily removes ingrained oil, grease, grime and everyday industrial soiling.

Neutral pH. Contains glycerine for added skin protection.

Low Environmental Impact - www.evansgreentick.com

- Manufactured with sustainably sourced olive seed, a by-product of olive oil production.
- Refreshing, citrus fragrance makes it pleasant to use.
- Rinses off easily in warm or cold water.
- Solvent free.
- Ideal for use in garages, engineering workshops, warehouses, builders yards, construction sites and all general industry.
- Suitable for use through the Evans Evolve dispenser or directly from the 5 L container using a pelican pump.
- A wall bracket is available to fit the 5 litre container.

HAND CLEANING:

Apply to dry hands, rub in well until all dirt and grease has been loosened then rinse with warm or cold water. Dry hands thoroughly.

The use of Evans CAREHANDS universal barrier and moisturising cream is recommended prior to starting and finishing work.
