

Crusader Pro Emulsifier

For industrial and professional use only

A blend of surfactants to provide optimum wetting and detergency to remove oil and grease from fabrics.

Effective at lower wash temperature.

Supplied in a natural see-through container to allow a visual check on the volume.

- Suitable as a stand alone product for delicate fabrics or heat sensitive classifications.
- Free from optical brightening agents.
- Can be added manually to washing machine in conjunction with CRUSADER PRO LAUNDRY RANGE.
- Suitable in hard and soft water conditions.

LAUNDRY MACHINE:

Crusader Pro Emulsifier should be dispensed automatically via a suitable detergent dosing system.

Crusader Pro Emulsifier can be added manually to the washing machine in conjunction with powder laundry products.

Consult Evans Pro Laundry Process Guide for rates of addition.

20l
